## **Marching Band**

Dear local business partner, friend, or family member:

The Rustburg High School Marching Band is a group of talented middle and high school students who practice diligently for several summer practices and a two-week long camp in the brutal summer heat, then daily during the school week once the school year begins to prepare for football game performances and competitions throughout the state of Virginia. We have a long history of excellence, placing in our respective category at all competitions we perform at and gaining the support of our school and community through fundraising and volunteer involvement. We are dedicated to providing a quality experience for our team members, allowing them to reach their full potential as they enter the competition season.

As with all competitive team programs, sponsorships and donations from the community and local businesses play a vital role. Although we are an extracurricular activity of Rustburg High School, the team is not funded by the school district; therefore, we are dependent on team family contributions and team fundraisers. However, without additional support from our community, we cannot continue to offer this enriching experience to our team members. We need your support.

By teaming with us to help provide this valuable activity, you help our members perform, create, express, and achieve greatness in a wholesome activity that is meaningful, healthy, and artistic. If you would like to support our program, please use the attached form to indicate your level of support and return it to RHS in the care of:
